WHO WE ARE

A MESSAGE FROM THE PRESIDENT

At Home Dynamics, we've earned a solid reputation of going out of our way to bring you extraordinary value in every area that matters to you and your family.

From the superior locations we select

throughout Florida, the terrific value and costs of our homes and the intimate neighborhoods we create to the exceptional homes we build and the many outstanding services we provide, Home Dynamics offers an unbeatable combination that has attracted thousands of homebuyers to our communities.

Take a moment to further explore our website and learn about all that we offer our homeowners. I am confident that you'll be hard pressed to find more home for your dollar anywhere. But then, I'm sure you'll find that out for yourself.

– David Schack, president

AWARD

After examining a variety of businesses in south Florida, the South Florida Business Journal named its annual list of 40 fastest-growing companies, of which Home Dynamics was named the No. 1 fastest-growing company among businesses of every type across the region.

"We see it as a reflection of what we do," said David Schack. "It's our site selection, prices, product line and value that has allowed us to continue growing."
